5.1 SCDC Unsocial Behaviour

Reports had been received of further unsocial behaviour from residents of a District Council property on Abington Road. It was acknowledged that the Parish Council did not have any authority to take any action but Councillors agreed that pressure must be put on the District Councillors to then put pressure on the District Council officers. The Clerk was asked to find out the advice the residents had received from the police and District Council about the problem. This would be an agenda item for the next Parish Council meeting on the 10th February 2015.
